

Best Practices

1. Morning Assembly:

Morning Assembly is conducted every Thursday in college where all the students and Teachers participate. This programme is organized on various concurrent topic/social issues. It gives students an opportunity to refine their skills.

2. Path Shri Sukhmani sahib:

To inculcate moral and spiritual values among students and teachers, Path Shri Sukhmani sahib is organized every year.

3. Vermi Compost Pit:

College has a compost pit which provides manure for its gardens and parks.

4. Rain water harvesting:

Rain water is harvested and stored by direct charging technique back into the ground.
